THE SCHOOL

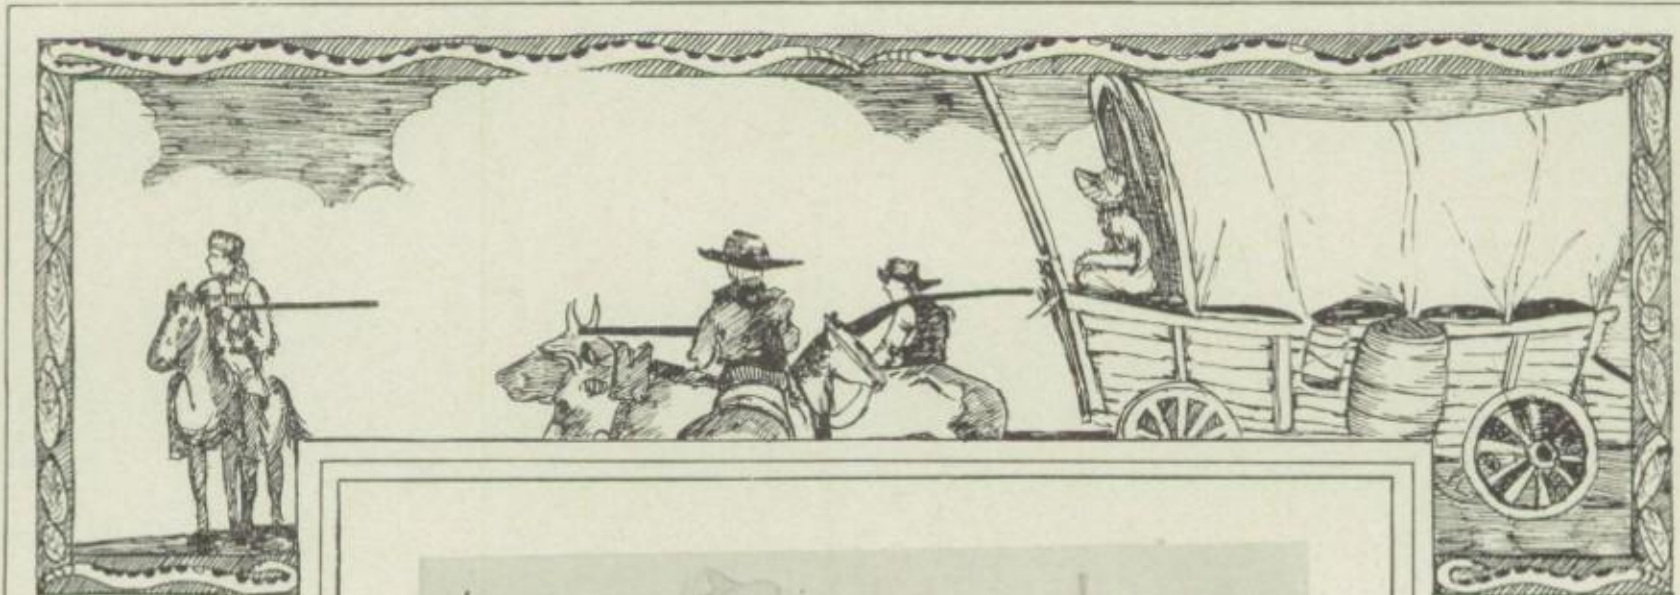

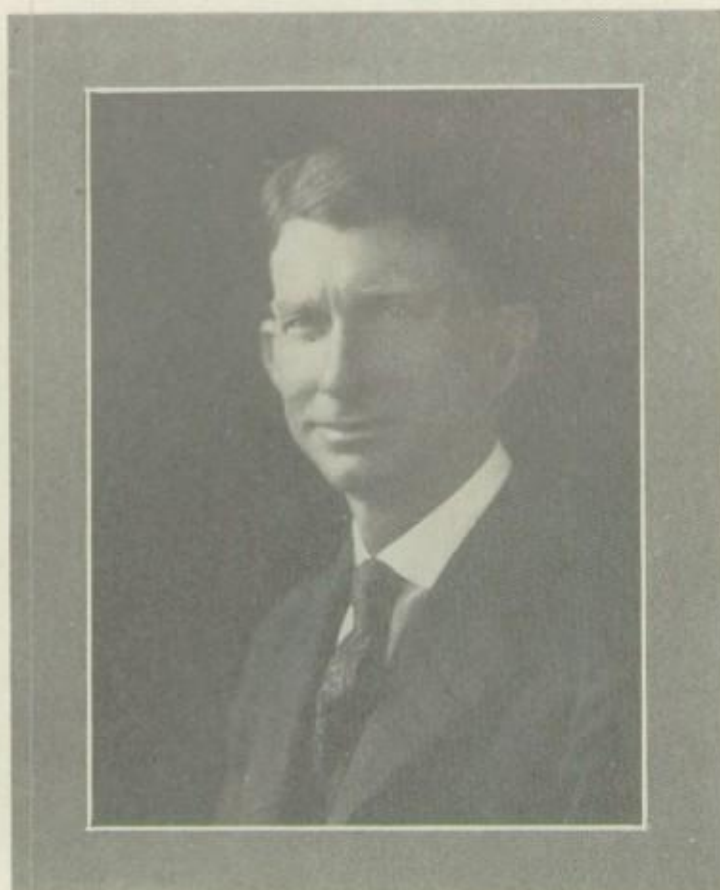

THE WESTERNER

ADMINISTRATION

THE WESTERNER

For me to extend to the Staff and the Senior Class my meed of praise for this, the fifth issue of the *Westerner*, is, indeed, a pleasure. Behind it has been faithful individual and collective student effort; the work has been well done, and it deserves much credit. By this means, I extend to the 1929 student body every good wish. You have developed a commendable spirit of loyalty. I trust that the time spent with your studies and student activities at the San Angelo High School will return a full measure of fruitfulness. It is my sincere hope that to each of you usefulness will come. As you later go about your life work as men and women, the *Westerner*, I am sure, will return to you many happy memories.

FELIX E. SMITH, *Superintendent.*

THE WESTERNER

There are two qualities that are always found among a good student body—loyalty and school spirit. I can sincerely say that the loyalty of our student body this year has been outstanding. You have also shown an excellent school spirit. You have gained for the school fine honors in athletics, in literary work, in music, and in vocational agriculture. Let me ask that you carry this same spirit throughout life. Bear your share of the burden and stand always for what is right.

I wish to thank the Staff, especially, for the untiring work in getting out this splendid issue of *The Westerner*. You have done much hard work to make this issue a success. In after years, I'm sure that you will feel fully paid for your efforts.

C. H. KENLEY, *Principal.*

THE WESTERNER OF 1929

We have attempted to make The Westerner of 1929 expressive of the spirit of the past, the accomplishment of the present, and the promise of the future. We hope we have pictured in it something of the truth and beauty of our country at "The Rainbow's End."

This annual is not the work of the staff alone. The staff has worked—worked hard—but the whole school has contributed much in actual work and loyal support.

We want this Westerner to be the memory book of your school year of 1928 and 1929. In it may you find the record of friends you have made, good times you have enjoyed, and goals you have accomplished. Take only a happy memory for your keepsake.

The art work of our annual was done entirely by our art editor, Irene Neves.

To Mamie Wendland, Hillord Hinson, and J. G. Bunyard, assistants of the staff, and to Bobbie Linthicum, John B. Mullins, Gertrude Weis, and Ralph Logan, class representatives, we wish to express our hearty thanks for the help they gave us.

To Miss Moss, who with untiring effort worked with the staff in publishing this book, we give our sincere thanks and appreciation.

We wish to thank Mr. Kenley and Miss Spence for their aid in keeping financial records.

We also wish to thank Mr. Pickett and the Merchants' Board of Trade, who have aided us very materially.

MOTTO—"Out for scalps"

COLORS—Black, Brown, Red, and White.

—The Chippewa Club is the oldest club in the San Angelo High School. Officers are elected at the close of each year for the succeeding term; therefore the continuity of the club is preserved. The chief aim of the Chippewa Club is to advance interest in all forms of public speaking. The past year has been a memorable one, for many Chippewas have figured in the school activities. Two Chippewa boys represented Angelo at State in debate. Three were members of the senior play cast. One Chippewa entered the National Oratorical Contest. The business manager of The Westerner is a Chippewa. Other members appeared on club programs.

Aside from the regular meeting, a party was given on February 16 at the home of Elizabeth McBurnett, and a Spanish banquet was held in the high school cafeteria, April 19.

THE FUTURE RANCHMEN OF TEXAS

The purpose of our organization is to bring the men of this town closer to the work in our vocational class, to fit baby beef calves and fat lambs for the Fort Worth Fat Stock Show, to have an annual Father and Son Banquet, to put out a successful live stock judging team, and to have a class show of our projects.

Our accomplishments this year were champion fine wool fat lamb and champion baby beef at the Fort Worth Fat Stock Show. Mitchel Hogan fed the lamb. Edward Cox fed the calf. We had a very successful Father and Son banquet. The judging teams were winners at several of the contests held in neighboring towns. The goat judging team was second at the annual Smith-Hughes contest held at A. & M. College.

We are the Future Ranchmen of Texas, affiliated with the State organization of Future Farmers of Texas. We hope to become successful farmers and ranchmen of West Texas.

THE SCRIBBLERS' CLUB

SPONSOR—Miss Mary Edith Taylor

Our calling calls us to write;
We write.
We grasp our pens with delight
To express, to portray, to define
Eternal showings of restless minds—
Tragedies, humors, sins, sorrows,
Hopeless yesterdays, happy tomorrows.
As an artist paints a picture, as a Pan makes a song,
So be our ambitions, so run our thoughts along;
To picture man, his frailties and his glories,
To spin our yarns—to tell our little stories.

WESTERN THEATRE CLUB

SPONSOR—Miss Jessie Stapp

The Western Theatre Club in its weekly programs and its occasional public presentations of simple plays, pantomimes and tableaux, intends, first of all, to afford its members a means of satisfying their innate love of "make-believe." It hopes, furthermore, to discover, among the student body, players with natural histrionic ability. It aims to encourage dramatic talent by freeing players from the self-consciousness of the inexperienced. As yet the accomplishments of the club are meager. It is in its green and salad days; but it expects to grow less verdant.

ART CLUB

DIRECTOR—Irene Neves

Dear Friends:

There has been some kind of work every club day that every artist enjoyed. If we didn't like poster work we could sketch from a model; if we didn't like model sketching we could make landscape designs, or border designs from the seven elements of Mexican Art. We were very proud of Verde Wright, Geneva Allen, Jim Howard King and Kenneth Allen when they won first and second prizes in the Little Theatre poster contest. Our sponsors, Mr. Mowery and Mr. Anderson, have done everything they could to help us in our work, and Irene Neves, our director, re-aroused our interest at the time when our club nearly went out of existence. We hope that next year we shall be reorganized; that we shall have a longer period in which to work, and that we shall have a room more adapted to be an art studio.

Artistically yours,

AMATEUR ARTISTS' CLUB.

HIGH SCHOOL BAND

R. W. TOWNLEY, *Director*

This is the first year that San Angelo High School has had its own band. The band is an asset to the school in that it played for the football games and afforded entertainment in assemblies. The school board provided capes and caps for the band. It is hoped that the band will be larger next year and will continue to grow until it will become one of the best bands in the State.

THE COACHES

To Coaches Bissett and Crawford are we indebted for the splendid showing made by the Bobcats during the football season of 1928. These men took a light, comparatively inexperienced squad of youngsters and developed a team which became known before the season was over, as one of the hardest fighting football clubs in Texas.

After the first of the year, Coach Crawford took over the basketball team when Coach Bissett began working the track men. Although Mr. Crawford had only a short time in which to whip his men into shape, he built up a powerful machine which won the championship of District 18.

Too much cannot be said of Mr. Bissett as a track coach. The track team has done more in the last two years to place San Angelo on the map athletically than anything else. The track men themselves know that their success has been due largely to the excellent training given them by Mr. Bissett.

FOOTBALL

Considering the fact that San Angelo is a member of the Oil Belt League, the strongest football league in Texas, the Bobcats had a fairly successful season. Victories were won over Ballinger, Winters, Big Spring, Del Rio, Brownwood, and Eastland. San Angelo played a tie game with Cisco, but lost to Abilene, Ranger and Breckenridge.

Even though some of our best men were kept on the sidelines because of injuries and the eligibility rules, our little team kept fighting to the end and gained for itself the reputation of the scrappiest team in Texas. Our men are a bunch of genuine sportsmen and fighters and we are proud of them.

THE WESTERNER

CAPTAIN "BETZ" BAKER

Baker, playing in his second year with the Bobcats, proved to be the best field general in the Oil Belt. Both his offense and defence were wonderful.

GENE GRIMES

"Scrap Iron" was unanimously chosen as one of the tackles on the mythical Oil Belt eleven. His tackling was so accurate that in many games he never missed. He is a first year man.

AUDREY JENNINGS

"Fats" played tackle. He did some of the hardest and cleanest tackling in the Oil Belt. He is a veteran, this being his second year with San Angelo.

"POOSTY" JONES

"Poosty" was the smallest of our guards. Although weighing only 127 pounds and a first-year man, he made opponents wish he were not half so big.

JIM HOWARD KING

King played center for the Bobcats. He turned in excellent performances in every game, both defensively and offensively. He is a first-year man.

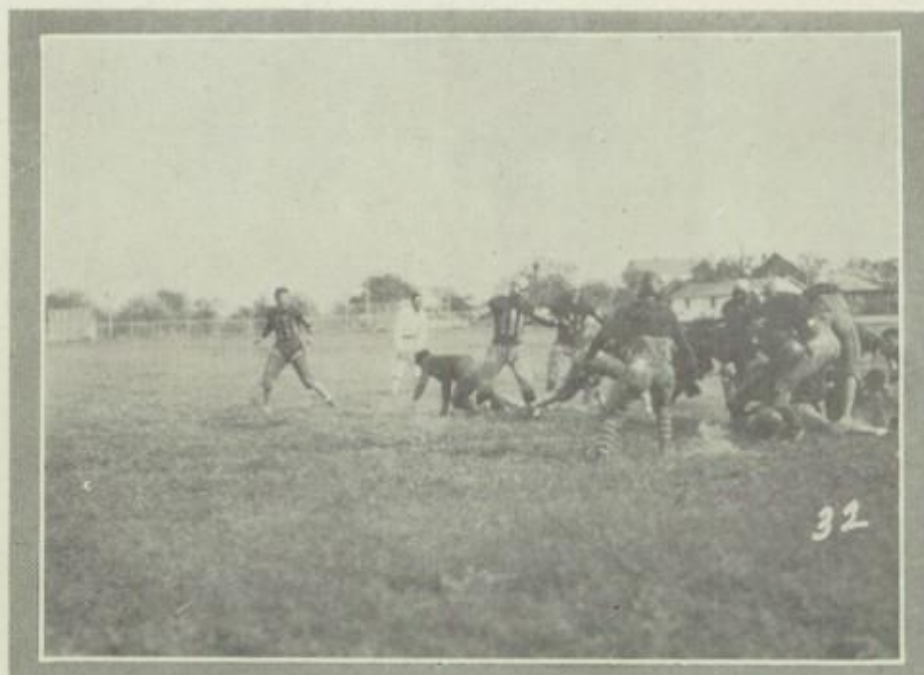

"VIC" POTEET

Poteete is one of our famous "midget guards." All opposing teams unanimously agreed that he was the toughest little man in the Oil Belt. He is a one-year man.

"COONEY" McCAMEY

"Cooney," playing anywhere in the backfield, was rated as the best defensive backfield man in the District, besides being a triple-threat man on the offensive. He is a two-year man.

"LITTLE RED" HALEY

Haley knew no peer in the Oil Belt as an end. His superb tackling was the pride of his team. Haley is a two-year man.

"BRUTE" RUSSELL

"Brute," playing his first year with the Bobcats, proved to be one of the most elusive broken-field runners in the Oil Belt. He alternated at quarterback and halfback.

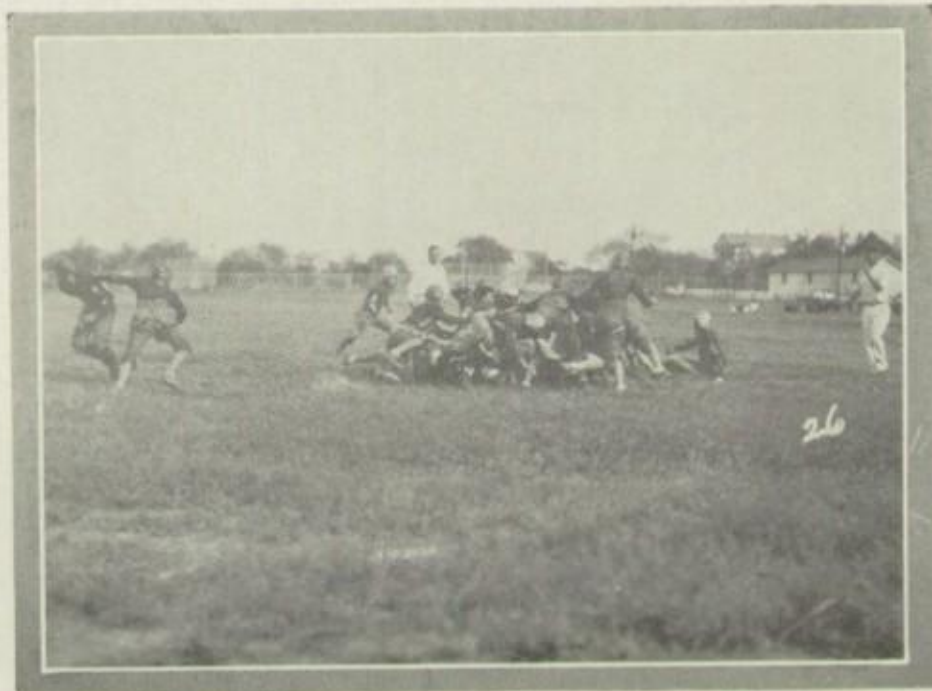

"RED" MASSEY

Massey came to us with the reputation as a phantom on the gridiron. He proved to be all that and more. He was selected by the experts as quarterback on the mythical all-state team.

BERNARD JONES

Bernard is the other of our "midget guards." He weighed only 132 pounds, but he made opponents think he weighed 232. Although only a first-year man, he is known all over the Oil Belt as a fighter who never quits.

THE WESTERNER

"SMOKEY" BROTHERS

"Smokey" is one of the most consistent of the Bobcats. He played at half-back and was an excellent interference runner. He is a first-year man.

WALTER SMITH

"Smitty" played end. His receiving of passes was sensational. He is a first-year man, but he plays with the skill and determination of a veteran.

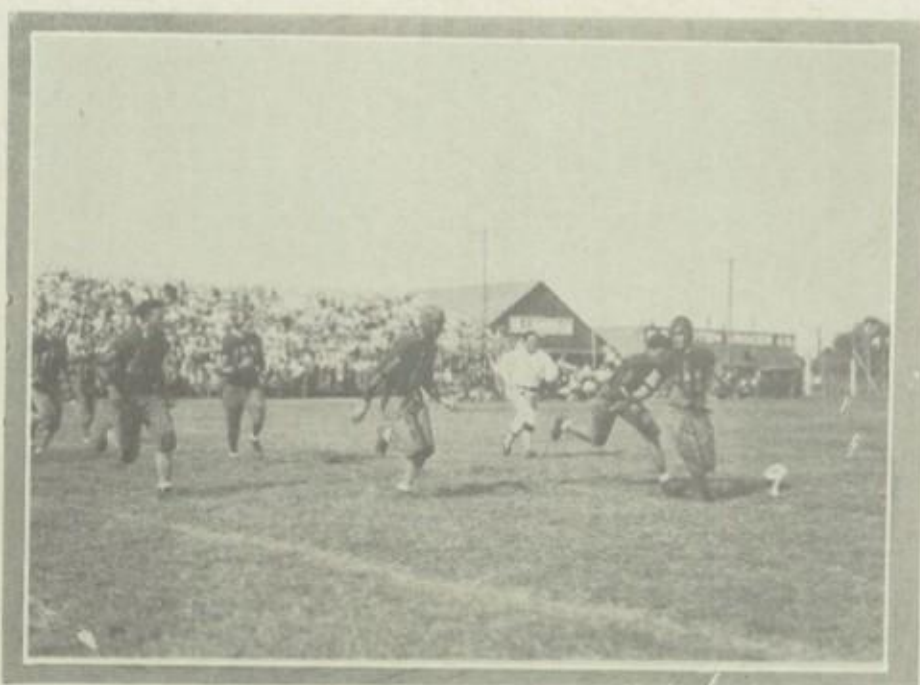

T. B. ODAM

Odam alternated at guard and in the backfield. His aggressiveness and determination enabled him to outplay his heavier opponents. This is his first year with the Bobcats.

E. Y. KING

King alternated at guard and center. His line play was wonderful. Very few yards were gained over him all season. He is a first-year man.

TRACK

The track team has had the most brilliant season ever attained in the history of San Angelo Athletics. The first meet of the season was the great invitation track meet held in connection with the Fat Stock Show at Fort Worth on March 16. Over one thousand athletes from several states competed. San Angelo won the meet with eighteen points. The points were made as follows: Tom Morrison, 220 yard dash, first; Rex Keeling, 880 yard run, second; Louis Brothers, 440 yard dash, first; one mile relay, first.

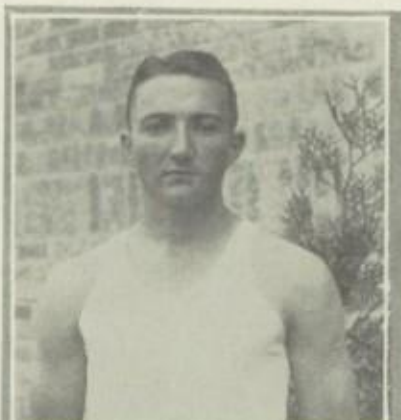

On March 29 Coach Bissett took six men to the Texas Relays at Austin. The Medley team, composed of Keeling, Jones, Morrison and Brothers, won the Medley relay in 3:44.6. This team tied the record set last year by San Angelo. The mile relay team, composed of Haley, Morrison, Brothers and Jones, won the mile relay and set a new Texas record of 3:29.7.

At the District Meet on April 13, the Bobcats completely outclassed the field, amassing a total of 67 points to 14 points by the nearest competitor.

Because of our victories at the Texas Relays, the business men of San Angelo raised a fund of \$750 to defray the expenses of the track team to the annual Kansas Relays, held at Lawrence, Kansas, on April 20. The team came through with more glory, winning both the 880 Relay and the Mile Relay, and placing second in the Medley Relay.

The track season closed with the most brilliant successes ever attained by any track team representing San Angelo. Our team won the State Championship, winning three first places, one second place, and one fourth place. Brothers won the half-mile, running his race in 2:1.2 seconds. This is a new state record. Morrison was first in the 220-yard dash, Haley second in the 100-yard dash, Jones fourth in the 220-yard low hurdles, and the relay team, composed of Jones, Haley, Morrison and Brothers, won that event, setting a new high school record of 3:26.7 seconds.

THE WESTERNER

CAPTAIN REX KEELING

Keeling ran the 880. He is a member of our champion relay teams. He is a veteran, having served three years with the Bobcats.

"POOSTY" JONES

Jones is a 220, 440, and low hurdle man. He is a relay man and ran excellent races all season. This is his second year with San Angelo.

TOM MORRISON

Tom is our most versatile man. He ran the 220 and 440 on our relay teams, besides being the sprint king of District 18. This is his third year with the Bobcats.

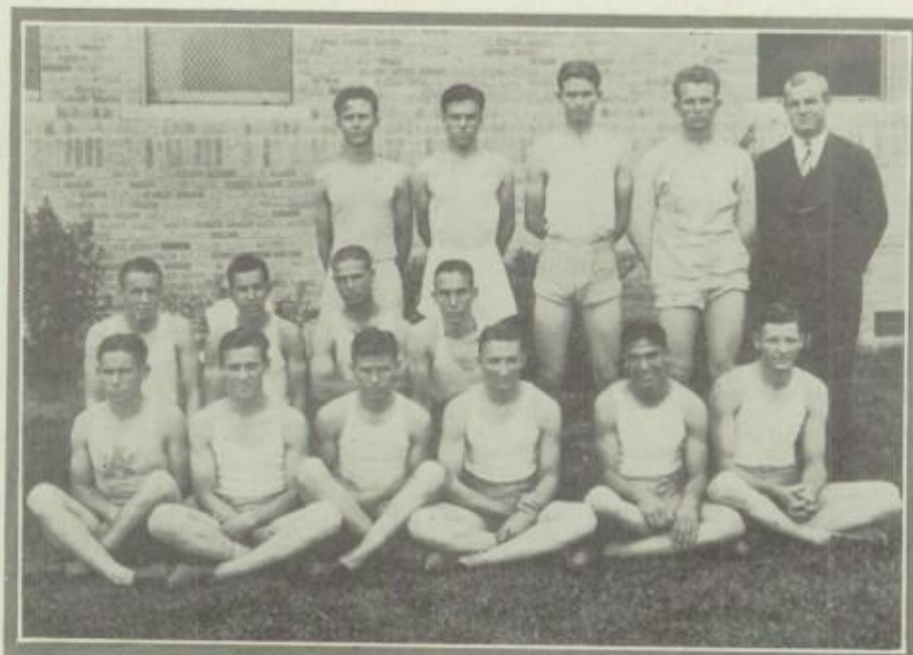

"SMOKEY" BROTHERS

Brothers is a 220, 440 and 880 man. He ran on all our relay teams and had a very successful season. He is a two-year man.

"LITTLE RED" HALEY

Haley ran 220's and 440's on our relay teams. He is rated as one of the fastest quarter-milers in Texas. He has been with us two years.

THE WESTERNER

RALPH EUSTIS

Eustis was by far the fastest miler in District 18. He is a first year man with many more seasons with the Bobcats.

T. B. ODAM

Odam is a relay man and also a low hurdle man. His best race was the 220 on our medley relay team. He is a first-year man.

SHELLEY COBB

Cobb is the king of all broad-jumpers in District 18. He is also a fair spring man. He is a first-year man.

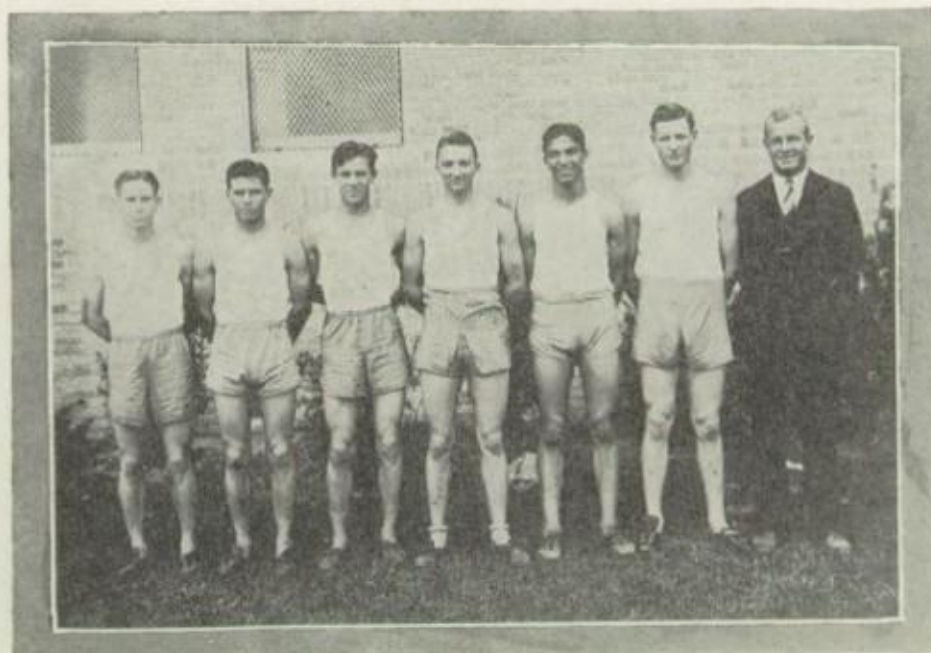

JACK JORDAN

Jordan ran the 440 on one of our relay teams. He is a hard worker and a red-blooded sportsman.

FRED NUTT

Nutt is a veteran, having been with us three years. He is a pole vaulter and high jumper. He won the pole vault in District 18.

BASKET BALL

The Basketball Team was under a severe handicap from the start. The Basketball season at San Angelo High did not start until after the holidays, while other schools in the District began practice early in the fall. Also, a great many good athletes began working out for track while the basketball season was still under way. Therefore Coach Crawford did not have a great number of candidates out to work for places on the basketball team. Nevertheless, the boys worked hard and came through with the championship of District 18. They were defeated only in one bi-district play by May High School of Brown County, Texas.

THE WESTERNER

"COONEY" M'CAMEY

McCamey was our most reliable forward. This makes his fourth brilliant season with the Bobcats.

FRED NUTT

Nutt was our regular center. He played fast accurate basketball all season. He is a veteran, having played two seasons on the team.

WALTER SMITH

"Smitty" was our regular forward. He was a wonderful passer, and goal-shooter. This is his first season with San Angelo.

MARSHAL BORDERS

"Shorty" was equally as valuable at guard as at forward. He is a first year man, but proved himself an indispensable cog in our basketball machine.

"BETZ" BAKER

Baker played guard position. He was the backbone of our defense. Although a first year man, he is by far the best defensive man in the District.

CAPTAIN BARNEY HALEY

"Little Red," playing his second year for San Angelo, alternated at center and guard. His guarding was fast and effective.

JIMMIE RUSSELL

"Brute" played at the forward position. His speed and shiftiness made him very valuable in passing the ball. He also threw many goals. He is a first year man.

BOYS TENNIS CLUB

The Boys' Tennis Club of San Angelo turned out a strong team this year, consisting of two doubles and one singles man. The Bobcats played a number of practice matches with neighboring clubs and were successful in most of them. In the district meet the team did not place. This was because of the hard luck in drawing. Ford Boulware and Judson Clements, who played doubles, drew the strong and flashy Eldorado team, and Lynn Metcalfe, singles player, drew Jack Dale, the district champion, in the first round.

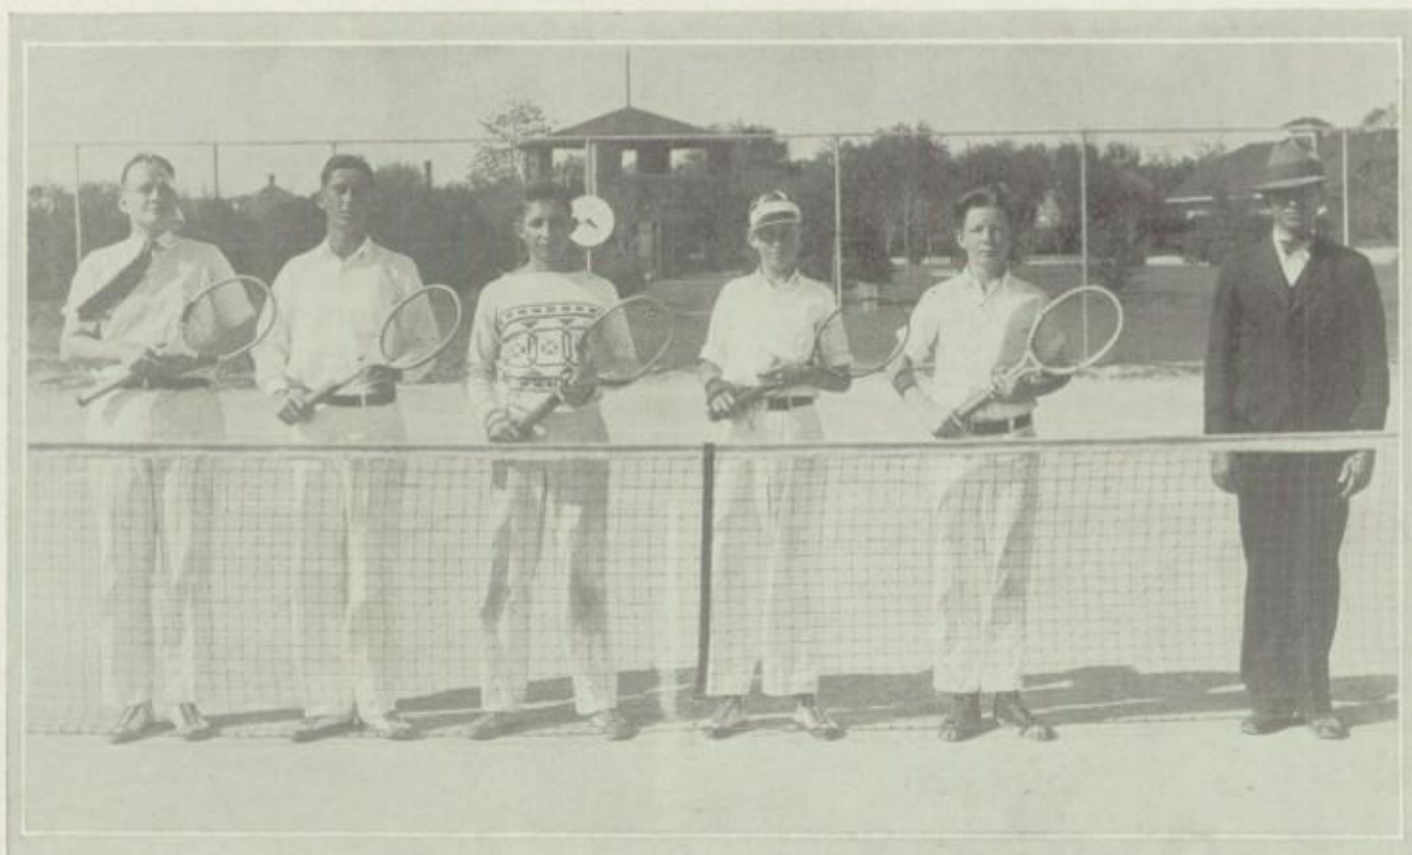

Metcalfe's lightning services, often aced plays, took heavy toll in points, but Dale's steadier game eventually won more games and the match. Both teams put up a hard fight and won the admiration of the crowd by their sportsmanship. Metcalfe was picked to win second, but as he drew Dale in the first round he had no other chance at the game Chapple of Christoval, who placed second.

Much experience was gained by this year's play, and the three letter men, Boulware, Clements and Metcalfe, will be back on the courts for San Angelo High next spring.

Mr. Dykes: "What are you doing in your line of work now?"

Miss Oliver: "Oh, we're on the food's line now, but will soon be on the clothes' line."

VERSION: "THE PUPIL'S PSALM"

"A strict lady is my teacher, I shall not be idle.

She maketh me to study on hard lessons, for my sake; she leadeth me through long books;

She taketh away my mind; she sendeth me to the office.

Yea, though I go through the grade many times, I have no fear of passing; for she is my teacher, her pencil and grade book keepeth my record.

She prepares to call out my grades in the presence of mine classmates, she advanceth my card with red ink, my head runneth over.

Surely memories (vague) shall follow me all the days of my life and I will dwell in her room (after school) forever and ever."
